The screenshot shows a booking form with three main sections: 'Your Reservation', 'Guest Information', and 'Payment Method'. The 'Your Reservation' section lists 'Pacific Bizbeds Tier 3' and 'City View Kona Tower - 1 room' for \$306.24, with a subtotal of \$306.24 and a total of \$352.06 including taxes. A 'BOOK NOW' button is at the bottom right. Annotations include a box pointing to the 'Guest name' field, a box explaining the email address field, and a box explaining the credit card number field.

BOOK NOW

This email address is where the email confirmation will go after booking

This credit card number is only to **GUARANTEE** the booking, **NOT TO PAY FOR IT!**

After choosing a room type and clicking the blue “book” button, you will be taken to the reservation information screen (see above). Enter the guest’s first and last name. Please note the email address you enter will automatically receive a confirmation email after you book the room by clicking “book now”.

Payment

The corporate booking engine requires entry of a credit card number to guarantee a booking — however, entering a credit card into the system during this process DOES NOT pay for the stay. The guest will be asked for payment at time of check-in.

If booking more than one room at a time, please call or email:
