All rates shown are effective 12/23/24 and are subject to change without notice. The line of credit has a variable rate feature, and the corresponding annual percentage rate (APR) and monthly payments may vary as a result. The 6.99% APR (7.24% APR for investors) introductory rate is fixed for the first two years and it will be adjusted thereafter based on the published Wall Street Journal prime rate plus a margin. The current variable rate is 8.50% APR (8.75% APR for investors). The maximum APR will not exceed 19%. Two-year introductory rate special is available to new Home Equity Line of Credit customers only. Refinances of existing Finance Factors Home Equity Lines of Credit are not eligible. Line of credit must be secured by fee-simple residential property located in Hawaii. Homeowner's (property owner's for investors) and hurricane insurance are required at homeowner's (property owner's for investors) expense. Flood insurance is also required if the property is located in a flood zone. Other terms and restrictions may apply. This is not an offer to make a loan. The making of any loan and the terms thereof are subject to Finance Factors' underwriting approval.
